Firearm Transfers:

Transfers from both FFL holders and private individuals are accepted. We do reserve the right to refuse transfers from parties that have previously caused problems, or will not comply with the following:

Private Party Transfers: The purchase from a private individual is strictly between the buyer and seller. West Chester Firearms only conducts the required Federal 4473 background check and appropriate paperwork. Any warranty or service is honored by the seller, not West Chester Firearms. We act only as a transfer agent. Transfers will only be conducted for the person named on the invoice (include transferee's phone and email).

Private sellers must provide a legible copy of their driver's license or other state issued picture ID. Firearms received without a copy of the seller's driver's license will be returned COD! No exceptions.

What to do: Complete your purchase with the seller, and provide them with the following mailing address:

West Chester Firearms
7738 West Chester Rd
West Chester, OH 45069

DO NOT identify the contents as a firearm! Sellers may bring the unloaded firearm into the shop. No ammunition may be included or shipped. Seller must provide their current driver's license or other state issued ID. Private Party Sellers do not receive a copy of our FFL. If your seller demands a copy, have them ship through an FFL, or find a different transfer agent.

Our FFL status may be confirmed through ATF's EZ CHECK web site: (<https://www.atfonline.gov/fflezcheck/>). Enter 4-31-XXX-XX-XX-07795 to receive verification of our license.

West Chester Firearms will contact the transferee upon receipt of the firearm for pickup.
